THE PRIME MINISTER

6<sup>th</sup> May 1985

Dear Mr. Bede,

Many congratulations  
on your excellent progress on  
the Mount Pleasant airfield.  
I was delighted to receive the  
news that the first wide-bodied  
jet landed on the new air-strips  
on 1<sup>st</sup> May. I only wish I could  
be with you at the official opening.  
Warm regards.  
Yours sincerely  
Margaret Thatcher
